Reading Recovery and Literacy Lessons

Reading Recovery

Teacher leaders in training at The Ohio State University will be prepared to offer Reading Recovery courses and professional development for teachers. Reading Recovery is an early intervention with a focus on first grade struggling readers.

Literacy Lessons: New Professional Development for Teachers in Special Education Settings and for ESL Teachers

Teacher leaders in training at The Ohio State University will be prepared to offer Literacy Lessons professional development to ESL and Special Education teachers in addition to training and professional development for Reading Recovery teachers.

This expanded training for teacher leaders is in keeping with Marie Clay's recommendation to provide professional development to all teachers responsible for designing and delivering literacy lessons to individual children having great difficulty learning to read and write.

Application materials include:

- (1) Application Dates and Contact Information (Form 1)
- (2) One (1) Teacher Leader Nomination Form (Form III)
- (3) One (1) State Regional Site Application (Form IIRTS)

Please feel free to duplicate all materials in the packet.

Dates are subject to change slightly.
